Suggestions for improvement

- More staff on playground in a morning to tackle the ball situation and monitor parents & kids swearing
- 2 sports days- 1 competitive & 1 non competitive
- More events like Easter Bingo
- Meetings about trips eg London, at later times for parents who can't attend
- The clubs after school should have more places and should be available for more children.
- Can't always access topic homework. I prefer this printed.
- A more structured seating plan.
- Publicise home learning materials for student enrichment.
- It will be good for parents to know in advance more about what kids will be learning in each subject in each period during the school year. That will help us to check over our kids progress and assist them.
- Nurse to help control headlice outbreaks
- Upload more frequently on tapestry
- When raining, please have bottom gate open for U3/Nursery parents, with guards for 15mins, and then parents can leave at the top.
- More updates of what the children are learning over the term.
- Wouldn't say needs any major improvements.
- Have bottom gate open if raining for toddlers mid day.
