The above action plan details only the information and actions related to spending in terms of PE funding. The total above currently stands at £19875. Once funding is released analysis of % allocation will be completed.

The school also undertakes additional actions with regard to school improvement of PE. This year the school are preparing for assessment of the PE quality mark and are undertaking a detailed audit of this. This is in addition to the Bronze School Games Mark awarded the previous year.

In addition to the spending above using Sports Premium the school also funds further sporting activity in order to meet curriculum requirements. This includes:

- Provision for meeting NC requirements in swimming £6673 – This cost is for the Year 6 cohort and in addition this year, Year 5 will also undertake swimming in order that next year any not meeting the standard have time for additional sessions.
- The allocation of sports premium does not cover the entire cost of Greater Goals provision and therefore the school spends an additional £3922 to top up this provision.
- The provision of subject leader release time (6 days) for the development of PE across the school
