

Dear Parents and Carers,

As we reach the end of what has been a strange and disrupted term, I wanted to thank you for your continued support. We understand the challenges facing families at this time.

Since the full return to school on 8th March, we have unfortunately had 2 bubble closures which have affected 75 pupils in total. This shows that despite the gains made in lockdown the virus is still active in the community and is still disrupting schooling for our pupils. Therefore, I would like to remind all families to abide by the current restrictions and follow the isolation and testing guidance if required. This will ensure the safety of the wider community and families and staff upon the return to school.

More information about the current restrictions can be found at <https://www.gov.uk/coronavirus>

Information about the government's test and trace support payment can be found at <https://www.gov.uk/test-and-trace-support-payment>

In the unfortunate event of any positive COVID 19 tests during the holiday, please notify school by contacting office@red-lane.bolton.sch.uk

Finally, I am sure you will join me in thanking all the staff for their hard work this term. I wish you all a safe and restful Easter and we will see you on **Monday 12th April**.

Mrs Driver
Head of School
