

schoolmoney

Dear Parents/Carers,

We are delighted to inform you that we have recently signed up to the online payment system **SchoolMoney**. This means that with immediate effect, you have the facility to make bookings and payments for school expenses, such as childcare and dinners, online with your debit or credit card.

This new payment system will benefit both us as a school and you as a parent. **SchoolMoney** will enable us to experience a more streamlined, cost-effective and efficient payment system in a secure and safe cashless environment.

You won't need to sign up to this system as this is done automatically through the school and as long as you have provided us with up to date contact details we will send you a link which will send you through to a page where you need to enter your mobile number, email address, the password we have sent to you, and your child's first name.

If for any reason you are struggling to log in, it may be because you have not provided us with the correct contact details. Please let us know immediately if either your mobile number or email address changes.

We appreciate your cooperation in the early stages of rolling this system out to you. If you experience any problems or have any feedback, please contact the office.
