

Remote Learning

Dear Parents/Carers

As part of our strategy to support teaching and learning for all children, we have put together a 'Remote Learning' plan so that all children continue to receive daily education in the case of a local lockdown or closure of a 'bubble' due to a confirmed case of Covid-19.

To support us with this, we need to gather some information from all families regarding their accessibility to the internet and computer devices should your child have to stay at home.

We would be grateful if you could answer the following questions by Friday 2nd October to enable us to ensure that your child continues to receive online teaching and learning should your child be advised to remain at home by Public Health England,.

Please complete the short survey below to help up ensure our 'Remote Learning' Strategy can be fully implemented.

Yours Sincerely

A Done

Mr A Done

Head of Teaching & Learning
