

7<sup>th</sup> October 2020

Dear Parents/ Carers,

We have been notified today that on Thursday 8<sup>th</sup> October we will be visited by Ofsted.

This visit is part of the routine inspections Ofsted are carrying out to schools to discuss and find out how schools are coping with the return following the lockdown. The inspectors will speak to leaders in school about the return to school including pupil attendance and the curriculum. The lead inspector has informed us that they will not be speaking to parents on this occasion.

As a school we welcome the opportunity to discuss the challenges facing schools at this time as well as celebrating our many successes.
