Dear Parents/Carers,

From time to time, we may wish to use photographs and videos of the children to promote the school and celebrate the successes we have had, through the school website, RL round up, Class Dojo, Twitter and Facebook. These may include fundraising events, achievements with groups of pupils, success at sporting events and other such occasions.

As well as being used to promote the school, teachers and staff will also take photographs or videos of children within school for learning purposes and during performances and celebrations. These photographs may be used on displays around school to promote the children's work.

Please could you sign the reply slip at the bottom of this page and return it to your child's class teacher as soon as possible, **without the signed letter returned to school we will be unable to use photos/videos featuring your child.** Please also be aware that if you wish to change your child's permission letter, at any point in the year please speak to your child's class teacher.

If you have any queries or questions, please do not hesitate to contact school.
