# RL Roundup

Dear Parents and Carers,

It is hard to believe I am writing to you as we near the end of another successful year at Red Lane. Although we are nearing the end of this school year we are by no means slowing down. You will see from our newsletter we have had lots of trips and wonderful experiences taking place for our pupils. We also have lots of events still to take place. As you will know from my letter last week, this week is our Year 6 Enterprise event. We are also hoping the rain stays away so that we can host our Sports Day on Thursday.

As we near the end of the year, myself and other school leaders are considering our school priorities for the next academic year. Our regular conversations with parents mean that we have already had some fantastic feedback from parents with regards to the school and the support they have received or where parents have raised a concern and this has been dealt with. We value your thoughts and feedback and this week you will be receiving our parent questionnaire. Your feedback will inform our school improvement planning for the next year. We would love to hear about what you have valued and what has gone well this year but we would like to hear of anything we can improve as well.

Following an incident at a local school we have revised our safeguarding procedures further. Please note that school **gates will not be opened until 3.15pm.** Parents who arrive before this time will be unable to access the site. This provides and extra level of security particularly as many PE lessons are now taking place outside.

Finally, it gives me great pleasure to announce that we will be holding a celebration event after school on Friday 14th July. This event has been organised to celebrate Red Lane's 70th anniversary. With stalls, games, food and live music, it promises to be a wonderful event. We just hope it is nice and sunny!

**Mrs Driver** 

#### KEY DATES

Thursday 22nd June
Sports Day

KS1: 9:30am

KS2: 2:00pm

Thursday 29th June 2BG class assembly @9am

. . . . . . . . . . .

We ask that you please refrain from taking holidays in term time.

Holidays in term time will not be authorised and a fine will be issued by the Local Authority, **£60 per child per parent**. Children miss vital learning that may not be repeated.

### Our week in photos

**Eco Councils Eco Tip:** 

Going shopping? Remember to take your own bags and help us to reduce plastic waste in landfill sites.

94 – 94.9%	Below Average
Below 94%	Poor

## **Year 4's trip to Manchester**

On Wednesday 7th June, 4S took the tram from Radcliffe into Manchester to visit the Museum of Science and Industry as part of their Geography learning. They had a great time seeing the sights of Manchester as the tram weaved its way through the city centre, before viewing the ruins of Roman Mamucium in Castlefield on our walk to the museum.

Once inside, the children loved exploring the hands-on 'Experiment' gallery, before visiting 'Revolution Manchester', looking at many of the amazing 'firsts' achieved in Manchester over the years, including the world's first computer and the all-important invention of Vimto!

They then visited the Textiles Gallery, where the children discovered how cotton transformed Manchester into 'Cottonopolis' during the Industrial Revolution. They watched demonstrations of the incredibly noisy machines and realised how dangerous working conditions for people, including children really were! Finally, they undertook a traffic survey of Deansgate. They had a great time and we hope that 4B enjoy the experience when they go next week!

### **Year 5's trip to London**

Year 5 had the most exciting week! Many of the children travelled to London and had the most amazing experiences. We visited the Tower of London and it was there we saw lots of history such as the 'Bloody' Tower, the Torture Tower and the Crown Jewels. After that, we visited the Natural History Museum.

We had a delicious tea at the Jungle cafe, which filled us up ready to watch Lion King in the Theatre.

On day 2, we had a very informative 2 hour guided tour of all the main sights of London. We even walked to Buckingham Palace, where we were lucky enough to see the changing of the guards. After this, we headed to the wonderful, wizarding world of a Harry Potter! It is safe to say the children loved every minute and they would highly recommend the trip to future year 5 children!
