

# RL Roundup

Dear Parents and Carers,

As we near the end of the term our newsletter is a reminder of a few key dates and also a celebration of some of the great things going on in and out of school. I am currently reading and signing the end of year reports and I know you will all be so proud of your children when you see their amazing hard work and achievements this year.

Next week our transition process will begin for pupils with additional needs and these will support pupils ready for our whole school transition days in the final week of term. We will be notifying parents and children about which teachers and teaching assistants will be in their classes next year. Following feedback from parents we will be holding our Parent information sessions in the first week in September.

Thank you to everyone who has responded to our parent survey. It has been a pleasure to celebrate the things that have gone well but equally we really value your views on how we can improve things for you. I encourage you to join our Parent Forum and PTA in the new academic year so that we can work together to make our wonderful school even better.

I look forward to seeing you all at our 70th anniversary celebration on Friday 14th July.

Mrs Driver

Archie has been training at Kearsley Muay Thai since he was 5 years old under his trainer and mentor David Knowles. Archie remains undefeated and has fought over 30 fights and holds 12 titles. He has fought in Italy, France and all over England. Archie qualified for the England squad and has just returned from the WBC world games in

Venice. Archie competed in the under 30kg category. At only 26kg he was fighting competitors much heavier. As always this didn't faze Archie and he entered the ring with confidence. Archie faced 3 opponents before reaching the final, each fight getting stronger and stronger and becoming more focussed.

Archie finished with a superb performance in the final and **brought home the gold.**

## Year 6 Enterprise Day

Over the last year, during enrichment, year 6 children have been taking part in 'The Growth Project'. The aim of the project is to give the children the chance to start their own business for a day and raise money to help fund their leavers' party! During their enrichment sessions they did a range of activities including Market Research, working out costs and projected profits and even presenting their business idea to obtain funding from the Bank Manager (Mrs Driver). Last Wednesday the children opened up for business and what a success it was! The children made over £100.00 profit between them, and the winning team 'The Raffle' made over £30.00 profit and have been invited to a celebratory business lunch at McDonalds.

# LAST FEW PLACES REMAINING

**SECURE YOUR NURSERY PLACE FOR SEPTEMBER**

Please speak to Mrs Cornick in the office to add your name to our waiting list!

Over the past few weeks, both Year 4 classes have been involved in the Bright Leaders programme. These weekly sessions have aimed to develop the children's personal qualities and strengths, pushing them out of their 'comfort zones' in order to improve their confidence and resilience.

Debates, discussions and various problem-solving activities, including cup building, drainpipe ball runs and 'the floor is lava' movement tasks helped to achieve this. Together, they have learnt to work together as teams, praise people's successes and importantly, face and learn from disappointments.

It has been a pleasure to watch the children grow and develop, whilst at the same time, have a little creative fun.

**Well done Year 4!**
