

RL Roundup

Dear Parents and Carers,

We have arrived at the last day of the school year and what a year it has been. From awards for Inclusion to our wonderful sporting and musical performances, it has been a year to remember. Our Y6 SATS result were excellent so very well done to all of our wonderful Y6 pupils. We wish our Year 6 children happiness and success on their new adventures. I am so very proud to be Head of our wonderful school. We are lucky to have the most amazing staff and wonderful children and it is a joy to come to school each day and be part of this wonderful family.

As part of our 70th celebrations, we wanted the children of Red Lane to leave a legacy for future pupils of this school. Yesterday we planted a tree for each year group and one for the staff and we look forward to watching them grow over the coming years. We have also buried a time capsule with lots of memories and items for future explorers to discover about Red Lane. You can see our pictures on Twitter.

Looking ahead to the next year, we have plans for another brilliant year at Red Lane. In September you will receive lots of information about the year ahead. We will also be holding 5 sessions of meet the teacher so that parents can attend a time to suit them. Our staff are committed to providing the very best education and experiences for our pupils. Sadly this year a great amount of senior leader time has been spent on dealing with inappropriate parent behaviour which takes away from our core business of education, should not be witnessed by pupils or families and is not inline with the values of our school. All incidents have been reported the Academy Trustees. We hope the new year will bring a fresh start for everyone and remind everyone that our school is a place of safety, happiness and education for all of our wonderful children.

I would finally like to extend my thanks to the wonderful staff who support our pupils and families, make meals, keep our school clean and safe and support in the office—they work tirelessly to give children and families the very best.

I wish you all a safe and happy summer and look forward to welcoming you back in September.

Year 4 Anderton Centre

Year 4 visited the Anderton Centre on the banks of Lower Rivington Reservoir on Tuesday 4th July. Whilst there, they went canoeing, where they paddled (with reasonable success!) to the opposite bank, in order to explore the replica of Liverpool Castle. They also bravely climbed tall trees before taking a 'leap of faith', jumping from a high platform before being gently lowered to the ground. Finally, they trained to become the next Robin Hood, practicing their archery skills using real arrows. It was a great day out, with the children exploring new activities, being brave and stepping out of their comfort zones. The staff could not have been prouder of their efforts!

Well done Year 4!
