

RL Roundup

Here we are again at the end of another busy week in school. Year 6 have attended crucial crew to learn more about how to keep themselves safe and as you can see below Year 2 have been developing their art skills and have made some amazing sculptures which are going to be displayed proudly around the KS1 building.

Every week our pupils amaze me and I feel so privileged to be the Head of such a wonderful school. We have celebrated excellent learning as well as children who are demonstrating positive attitudes to learning as part of our star assemblies. The battle is on in Key Stage 2 to see who will be crowned house team winner in a few weeks time.

We can see that lots of children have been busy at home completing home learning tasks. A big thank you to all the grown ups for their support with this!

Next week we will be focusing on Online Safety as part of Internet Safety. This will be followed up by parent workshops on 28th February. We know that the online world is busy and complex and it can be challenging for parents to keep up to date with the latest information. Please come along to the workshops where you will find out more and you can ask any questions about Online Safety.

Mrs Driver

KEY DATES

Thursday 16th Feb 5T
class assembly @ 9am

School closes for February
Half Term on 17th
February

Thursday 16th March 5M
class assembly @ 9am

Thursday 30th March 5B
class assembly @ 9am

What is going on in Year 2!

In Year 2 we have been continuing with our sculptures topic in art. We had great fun making our own mask sculptures.

Meet the staff

Hi, I'm Miss Phillips, the new year 3 teacher at Red Lane. As I am new to the school, I thought I would take this opportunity to introduce myself. Before I became a teacher, I studied English Literature at Edge Hill University. Reading continues to be a passion of mine and I love to share stories

with my class. As our class novel, we recently enjoyed *The Boy Who Grew Dragons* by Andy Shepherd. English is my favourite subject to teach, along with history and RE. I love travelling to new places and learning more about different cultures and their history. I am currently looking forward to a trip to Iceland, where I hope to experience the Northern Lights and learn more about Icelandic culture. In my spare time, I love to take my dog Finn on lots of walks. His favourite place to go is the beach, as he loves stealing people's shoes!

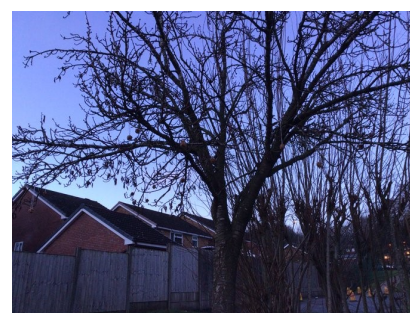

Gardening Club

KS1 Gardening Club made some great natural bird feeders using pine cones and bird seed. We talked about the importance of

looking after animals especially during the cold winter. We then hung them on the tree in the KS1 Outdoor Area!

Have you spotted them?

Worried or concerned about your child's progress of attainment at school?

Either email or phone the school office (office@red-lane.bolton.sch.uk, 01204 333580) to speak to one of our SENCO's who will be able to offer support. Or come along to our inclusion coffee morning on

Monday 6th February.

Thank you

Mrs Gregory and Mrs Beswick

Safer Internet Day

Safer internet day is taking place this coming Tuesday. The theme this year is "Want to talk". We need to encourage children to talk about what they are doing online. Many children feel that they should be secretive, that adults want to take them off apps and websites. However we need to support and monitor our children to help keep them safe online. Each year group has a slightly different objective for Tuesday. The objectives compliment our year round online safety teaching. We will launch the day with an assembly led by our e-Safety Champions (Izzy, Mason, Zak, Honey, Beth and Elisha). Our Champions have already

sent a newsletter home with a competition that they are running. In addition to this, a newsletter for parents will be sent home with guidelines on how to support your child. Keep an eye on Twitter as we will be posting regular Tweets on the day!
