

*“Red Lane Primary is a good school with outstanding features”
(Ofsted-March 2014)*

Dear Parent/Carer of Year 6 Pupils,

You may recall that last year we sent home some information regarding a wellbeing measure that we were planning to complete, however due to the subsequent school closures this did not happen.

We have again been approached to be involved with this project. Given the high status that Mental Health amongst children is quite rightly receiving in the press, we are keen to participate, however wish to give parents the option of opting out.

I have attached a booklet which outlines what the measure is for and how information will be stored. You only need to return the opt out form (on p4) should you not wish your child to participate.

If you returned this form last year, please be advised that we ask you return this again as we are aware some parents views may have changed given the current national situation.

If you have any questions which are not addressed through the booklet, please do not hesitate to contact me.

Kind Regards,

Mrs J. Cromey
