

RED LANE ROUND UP

June 2025

As we approach the final weeks of the school year, I want to take a moment to commend those pupils who took statutory tests for the incredible effort they have shown. They approached the tests with maturity, determination, and resilience—we are extremely proud of them all. With assessments behind us, we now look forward to a range of exciting end-of-

year celebrations. These include our Production Club's performance of 'Oliver With A Twist', the always heartfelt Year 6 Leavers' Assembly, and our annual Presentation Evening, where selected pupils will be recognised for their achievements. Please keep an eye on School Story and Class Story on Dojo for updates and key information about these events. As always, we ask for your continued support in ensuring strong attendance right up to the end of term, as this time is vital for transition activities, including meeting new teachers and exploring new classrooms in preparation for September.

Our current school attendance level is:
92%

This is below the expected level of attendance.

The Department for Education (DfE) states that children should attend school every day, with exceptions only for illness or other unavoidable circumstances.

At Red Lane, we monitor attendance closely and work with families to address any concerns. Consistent attendance helps children build routines, engage fully in learning, and achieve their potential.

Parents are urged to avoid taking children out of school for holidays during term time.

ALWAYS FOLLOW THE WATER SAFETY CODE

Whenever you are around water:

STOP AND THINK

Take time to assess your surroundings.

Look for the dangers and always research local signs and advice.

STAY TOGETHER

When around water always go with friends or family.

Swim at a lifeguarded venue.

In an emergency:

CALL 999

If you are at the coast, call 999 and ask for the Coastguard.

Don't enter the water to rescue.

FLOAT

Fall in or become tired – stay calm, float on your back and call for help.

Throw something that floats to somebody that has fallen in.

Enjoy Water Safely

Learn basic lifesaving and CPR skills.
